Jin Ju. I keep thinking what I'll do after finishing the printing, but there are so many things I want to do that I get tired just thinking about it. I want to go at it without any planning!!

Ae Ju. Every summer I have trouble sleeping because it's swarming with centipedes. Sometimes I get bitten by dozens of centipedes more than 10 centimetres long! My arms and legs were completely swollen.

According to the village elders, there's a valley full of centipedes behind the hill right next to my house. I'm scared... I'm scared of summer, and especially monsoon season.

Ready?!
Kyaaah!!!
In, let's go! You have to catch her!!!

Hello, Seo Jin.
I'm surprised to see you here.
Professor...
What are you doing around here? Not to be nosy or anything.
Uh... I had some shopping to do.
It's food for my cats. They're so greedy...
Tee hee
Hmm...

You bought a manhwa...?
It's the weekend and the weather is so nice...
Don't you think it'd be better if you hung out with friends rather than read?
...
I noticed that you're often alone at school. We don't hear from you a lot, either...
I'm telling you, this isn't good.
At your age, you should have a head full of plans and be overflowing with energy..

...
Tell me, Seo Jin.
You, too, must have a secret dream, right?
A secret... dream...?
Of course.. something you would like to obtain...

Something...
...that I would like to obtain...?
Aren't you worried that others will see us?
Huh?
But why?

Yes...
There really is something...
Goodbye.

I dream...
what a wimp...
I'm disappointed.
Oh, don't start. Appearances don't matter...he's the one we've been waiting for since forever.
Mrrow.
Still, one would hope for someone a bit more glamor
ou...

Well, that's true...
MIOU
We were expecting better than that.

Oh well, too bad. You'll make do.

Yay! Food.
Great!

We have no more time to lose...
Let's help our guardian angel get ready...

And to revive him...
...we must make a sacrifice.
Hmph!
...
Oh yes!
We, too, we can't wait until our dear father comes back to life!

When our guardian angel is among us once more...
...our most precious wish will finally be granted.

From now on, your greatest dream will be to have lots of friends!
ABRACADABRA!
Uh...
You think?
Hey, what are you doing to him, Lin?
I'm worried, because he still doesn't have a single friend at school...
I'm sure it's all my fault.
...
I'm trying to fix him by using hypnosis like they do on TV... this is called the "Friendship Spell"!!

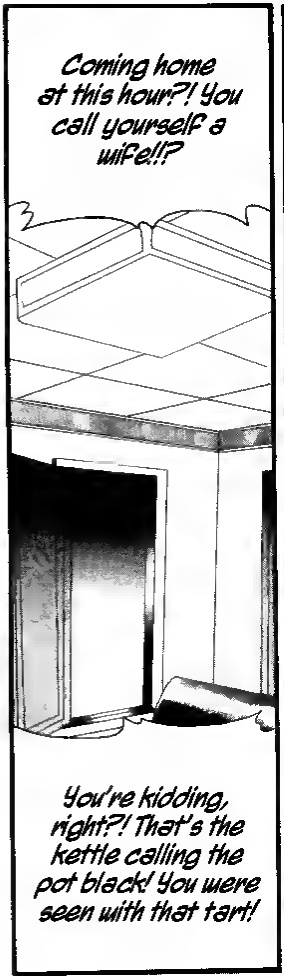
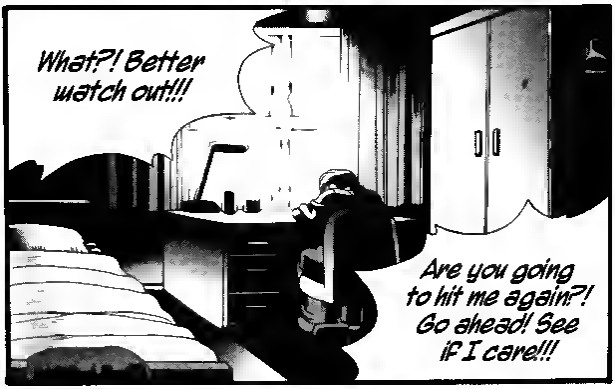
Forget it, doll!
HIN HIN
He doesn't want to talk to anyone other than you.
But you somehow managed to make lots of friends...
He's friendly and approachable.
Even if he often seems stupid...
Well, it's normal for him Chunji is rather extroverted
Yeah, extroverted
Approachable...
Yes, stupid...
Uh... you don't have to repeat EVERYTHING she says.
Just the compliments are enough
?
GRRR
Ah...okay....
Protecting Lin is the only thing that matters to me
NO, DEAR!
FLU
COUGH
DON'T SAY THAT!!!

Otherwise you risk being ignored by the whole world!
Is that what you really want?
So?
So?
...
If I remember correctly, there's already a social leper in your class, right?
Yeah, so it seems...
The poor guy...
Who knows... maybe you'll end up like him?
Not that I care—
I'm sure he's always lonely and unhappy.

Listen, dear...
I don't want the same thing to happen to you.
...
Pfft...
To be alone...
...and unhappy.



Coming home at this hour?! You call yourself a wife!!?
You're kidding, right?! That's the kettle calling the pot black! You were seen with that tart!



What?! Better watch out!!!
Are you going to hit me again?! Go ahead! See if I care!!!
